## Pine Cellular “ Back To School Bags ” Donation

Pine Cellular, the mobile communications company that serves thousands of residents in Southeast Oklahoma, is always proud to provide for local schools and the communities Pine Cellular serves.

Pine Cellular is please to donate Back to School Book Bags for Broken Bow area students that may need assistance in securing them. These free school bags are clear to meet all school regulations, and carry the Pine Cellular logo.

“Thank you for the school bags. They were very nice and they look like quality bags and supplies for those that struggle to pay”. Mr. Stricker, Principal Dierks Elementary

Pine Telephone/Cellular is also proud to announce the launch of Wireless Broadband Internet for Home and Office. Especially for students that live in communities, where high speed internet was not available in the past. Pine's goal is to service existing cellular areas of coverage, with the addition of home / office Internet service, all under one roof.

Pine Cellular is a division of Pine Family of Business that has served Southeast Oklahoma for over 100 years, offering Telecommunication services, Mobile Communications, Cable TV, and both DSL and 4GLTE Broadband Internet.
